

Networking and Grass Root Event.

Please join us for our most special meet and greet event of the year. There are plenty of networking events in Maryland, but we offer you the unique opportunity to make contacts for your business while getting to know more about one remarkable organization that helps young Hispanics in this region. We will host a brief introduction to **The Latin American Youth Center/Maryland Multicultural Youth Center (LAYC/MMYC)**, founded in the late 1960s to address the absence of services for the emerging Latino community. Today LAYC/MMYC is a thriving network of community-based youth centers, public charter schools, and social enterprises with a shared commitment to help youth become successful and happy young adults with the skills they need to succeed educationally, professionally. Once you see the LAYC/MMYC's flagship center, we are confident that you will conclude that this organization deserves our support for its expansion efforts in Maryland.

We will follow this introduction to LAYC/MMYC with a **happy hour at Rumberos** where you can dialogue with Maryland business owners, State and Federal contractors, and others who engaged in the implementation of **President Obama's Stimulus Package**. Join us for this event and make valuable contacts to so that your business can play a part in the exciting changes coming to our business community!

Where: Starting at LAYC at 1419 Columbia Road, NW Washington, DC 20009

Follow by **Rumberos** 3345 14TH Street NW Washington DC, 20010

When: May 22, 2009 at 5:30pm
